SECURITIES AND EXCHANGE BOARD OF INDIA

[ADJUDICATION ORDER NO. BM/AO- 88/2011]

ORDER UNDER SECTION 15-I OF SECURITIES AND EXCHANGE BOARD OF INDIA ACT, 1992 READ WITH RULE 5 OF SEBI (PROCEDURE FOR HOLDING INQUIRY AND IMPOSING PENALTIES BY ADJUDICATING OFFICER) RULES, 1995.

In respect of

Shree Atam Vallabh Poly Plastic Industries Pvt Ltd

Now known as **Godwin Securities Pvt Ltd**

(Pan No. AACCS3272K)

In the matter of Ritesh Properties and Industries Ltd.

FACTS OF THE CASE IN BRIEF

1. Securities and Exchange Board of India (hereinafter referred to as “**SEBI**”) conducted investigation in respect of trading in the shares of Ritesh Properties and Industries Ltd (hereinafter referred to as “**RPIL/ Company**”) for the period from July 14, 2006 to May 20, 2008 (hereinafter referred to as the **Investigation Period**). During the investigation period the scrip of RPIL was listed at Bombay Stock Exchange Ltd (hereinafter referred to as ‘**BSE**’), Calcutta Stock Exchange (hereinafter referred to as ‘**CSE**’), Delhi Stock Exchange (hereinafter referred to as ‘**DSE**’) and Ludhiana Stock Exchange (hereinafter referred to as ‘**LSE**’). As observed from the Annual Report of RPIL for 2006-2007, the company had already passed a resolution in the Annual General Meeting (AGM) of 2004 for delisting of shares from DSE, LSE and CSE.
2. Investigations observed that RPIL on December 23, 2006, passed a resolution by EGM to allot 12,50,000 shares each to Vishal Concast Ltd (now known as Auster Securities Ltd) and Shree Atam Vallabh Poly Plastic Industries Pvt Ltd now known as Godwin Securities Pvt Ltd (hereinafter referred to as the “**Noticee**”) at ₹ 20. It was observed that on March 23,

2007 the Noticee acquired 12,50,000 shares through the preferential allotment from RPIL. It was alleged that the above allotment was not made within prescribed 15 days and were further made without due approval from the shareholders and also at manipulated lower prices.

3. It was further alleged that the Noticee is connected to RPIL and gained from the above manipulative under pricing at the cost of other shareholders of the Company. Hence, the Noticee allegedly violated Regulation 3 (a), 3 (b), 3 (c), 3 (d), 4(1), 4(2)(b), 4(2)(d) and 4(2)(e) of SEBI (Prohibition of Fraudulent and Unfair Trade Practices) Regulation, 2003 (hereinafter referred to as '**PFUTP Regulation**') and Section 12 A (a), (b), (c), and (f) of Securities and Exchange Board of India Act, 1992 (hereinafter referred to as "**SEBI Act**").
4. It was also observed that before the allotment the paid up capital of the company was 92,17,500 and such acquisition of 12,50,000 shares by the Noticee accounted for 13.56 % of the total share capital when allotted. As the Noticee's shareholding crossed 5% as well as 10% limit, the Noticee was required to make disclosure under Regulation 7 (1) and 7 (2) of SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 1997 (hereinafter referred to as "**SAST**"). Further it was observed that the above acquisition also required disclosure under Regulation 13 (1) of SEBI (Prohibition of Insider Trading) Regulations, 1992 (hereinafter referred to as '**PIT**'). It was further observed that the Noticee sold shares of RPIL in June, 2008 quarter where the Noticee's shareholding crossed 2% of the paid up capital of the Company. As the shareholding of the Noticee crossed 2% of the paid up capital of the Company the Noticee was required to make disclosure to the Company under Regulation 13(3) read with 13 (5) of PIT. It is alleged that the Noticee did not make the above requisite disclosure under Regulation 7 (1) and 7 (2) of SAST and 13 (1), 13 (3) read with 13(5) of PIT.
5. Consequently, the above alleged violations make the Noticee liable for monetary penalty under 15 HA and 15 A (b) of the SEBI Act.

APPOINTMENT OF ADJUDICATING OFFICER

6. I was appointed as the Adjudicating Officer, vide order dated March 08, 2010, under Section 15 I of the SEBI Act read with rule 3 of SEBI (Procedure for Holding Inquiry and Imposing Penalty by Adjudicating Officer) Rules, 1995 (hereinafter referred to as the '**Rules**') to inquire into and adjudge under Section 15 A (b) and 15 HA of the SEBI Act for the alleged violation of the provision of SEBI Act, SAST, PIT and PFUTP Regulations as committed by the Noticee.

SHOW CAUSE NOTICE, REPLY AND PERSONAL HEARING

7. Show Cause Notice No. EAD-6/BM/13752/2010 dated July 27, 2010 (hereinafter referred to as "**SCN**") was issued to the Noticee to show cause as to why an inquiry should not be held against the Noticee and penalty be not imposed under sections 15 A(b) and 15 HA of SEBI Act for the alleged violations specified in the said SCN.
8. It was alleged in the SCN that the Noticee was connected to RPIL and the allotment of 12,50,000 shares of RPIL was not made within 15 days but were further made to the Noticee without due approval from shareholders and also at manipulated and lower prices. It was further alleged that the Noticee acquired 12,50,000 shares through the preferential allotment which accounted for 13.56 % of the total share capital when allotted and failed to make the required disclosure under the SAST and PIT Regulations. Further, it was alleged that the Noticee transferred 3,00,000 shares to Mr. Sanjeev Arora but failed to make the required disclosure under PIT for the change in holding.
9. The Noticee vide letter dated August 01, 2010 sought two months time to reply to the SCN and consequently on October 01, 2010 the Noticee submitted interalia the following:
- *The company vide letter dated 24th November, 2006 consented to subscribe to the shares of RPIL and thereafter agreed to allot the shares in accordance with the provisions of the Companies Act, 1956 and other statutes and rules applicable on such allotment of shares by RPIL.*
 - *RPIL vide letter dated November 29, 2006 informed BSE about convening EGM on December 23, 2006 for the purpose of seeking approval of shareholders for preferential allotment. The said details were posted on the BSE website on December 08, 2006.*
 - *On December 23, 2006, a resolution was passed by the shareholders of RPIL in the EGM to allot 12,50,000 shares of ₹ 10 each at a premium of ₹ 10/- each to the Company as per SEBI pricing formula.*

- *After, the allotment was approved in the EGM dated December 23, 2006, RPIL approached BSE for its in principle approval for listing of shares. BSE vide its letter dated December 27, 2006 sought certified copy of the resolution passed in the EGM held on December 23, 2006 from RPIL and also observed that RPIL has not given the disclosures required under clause 13.1A of the SEBI (DIP) Guidelines in the notice dated November 25, 2006. The BSE further advised that the RPIL should not proceed with the allotment of the shares to the Company.*
- *The information as sought by BSE was duly provided by RPIL on January 2, 2007 to which BSE vide letter dated January 5, 2007 replied that that the notice served on the shareholders on November 25, 2006 was not proper. The BSE stated that in principle approval in terms of Clause 24(a) of listing Agreement for issue and allotment of the shares would be given only when the Company has complied with the formalities. The Company was also directed not to proceed with the allotment of shares to the Company without seeking approval of the Exchange.*
- *The Company vide letter dated January 12, 2007 intimated the BSE that it would be convening another EGM of the RPIL and later vide letter dated January 25, 2007 intimated BSE about the EGM scheduled to be held on February 28, 2007 incorporating the required disclosures for ratification by the shareholders of the resolution passed in the EGM of December 23, 2006.*
- *On February 5, 2007, in compliance with the Listing Agreement, 6 copies of notice of EGM to be held on February 28, 2007 were sent to BSE and other stock exchanges.*
- *RPIL received another letter from BSE dated February 6, 2007, wherein BSE granted it in principle approval only for issue and allotment of the shares to the Company, however sought shareholders resolution ratifying the disclosures for the purpose of listing of the shares.*
- *RPIL vide letter dated February 21, 2007 informed BSE that it was holding the board meeting to discuss the preferential allotment; however its chairman had been hospitalized and sought extension of 2 weeks for making the requisite allotment of shares. The BSE vide its letter dated March 13, 2007 granted the request of RPIL and directed RPIL to allot the Shares by March 28, 2007.*
- *In the meantime shareholders of RPIL in the EGM of February 28, 2007 ratified the resolutions passed in the EGM of December 23, 2006 and thereafter in accordance with the letter of BSE dated March 13, 2007, RPIL in its board meeting dated March 28, 2007 made allotment of the shares to the Company and applied for listing of the shares which was duly granted by BSE vide its letter dated June 1, 2007. The Copy of the correspondences mentioned hereinabove are annexed herewith as Annexure 2(Colly).*
- *RPIL had made allotment of the Shares to Company after complying with directions of BSE and after the disclosures were ratified by the shareholders of RPIL in the EGM held on February 28, 2007. Further, the allotment of the Shares made to Company by RPIL on March 28, 2007 was in accordance with the BSE letter dated February 6, 2007 and extension letter dated March 13, 2007.*
- *Since BSE had not sought any new valuation of shares and had only sought ratification of disclosures by the shareholders of RPIL as is evident from BSE letter dated February 6, 2007, RPIL was not required to undertake fresh valuation. Further, the letter dated March 13, 2007 also reiterated the terms of letter dated February 6, 2007 issued by BSE. It is humbly submitted that BSE had neither sought any fresh valuation for the said*

purpose nor had it directed RPIL to pass a fresh resolution under section 81A of the Companies Act, 1956

- *It is also submitted that the Company has not benefitted from the allotment of Shares since they were subject to the lock in period of one year and the same could not be traded or any mileage could not have been taken from said shares.*
- *It is humbly submitted that Mr. Fatehpuria is neither a shareholder nor a director of the Company, therefore, it cannot be construed that RPIL is connected with the Company only for the reason that Mr. Fatehpuria is a director in RPIL.*

Mr. Fatehpuria, being expert in the field of capital market, was asked to help us opening a DEMAT Account and being professionally known, he was authorized by the Board to sign for and on behalf of the Company to open a DEMAT account with Almondz Capital Market Private Limited. It is also submitted that the said person was not given an independent charge to handle the account. He was given authority for a limited purpose only and the resolution being standard in nature was passed by the Board.

- *It is also pertinent to mention that DEMAT Account of Company with Almondz was opened in May, 2007 which was after the allotment of Shares to the Company by RPIL. Further, the shares allotted to the Company were also subject to lock in period of one year. Accordingly, in our view, even Regulation 2(c) of PIT Regulations would not be applicable in the instant matter. We would like to reiterate that the said person was neither an employee nor even a regular consultant and he has not received any remuneration or any fees for the services rendered.*
- *In this regard, the Company submits that Ritesh Spinning Mills was in need of funds and had approached the Company for grant of loan of aforesaid amount. The Company acceded to Ritesh Spinning Mills request and granted an inter-corporate loan.*
- *In this regard, it is submitted that necessary disclosures in respect of the sale of shares of RPIL by the Company were duly intimated and necessary disclosures were given. The sale of shares of RPIL was part of business decision and the same was undertaken as a bonafide transaction.*
- *In this regard it is submitted that the said shares given as a security for sanction of loan by Mr. Sanjeev Arora, however, since the terms of the loan could not be settled, the said shares were duly returned by Mr. Sanjeev Arora on 18.08.2008. The Company was not required to give any disclosure under PIT Regulations since the said transfer was under security mechanism.*

10. In the interest of natural justice and in order to conduct an inquiry as per rule 4(3) of the Rules, an opportunity of personal hearing was granted to the Noticee on October 19, 2010 vide Hearing Notice dated October 06, 2010 at the SEBI, Northern Regional Office, Delhi. Mr. Rohit Alex, Authorized Representative of the Noticee (hereinafter referred to as an 'AR') appeared on behalf of the Noticee and reiterated the submissions made in the Noticee's earlier submission dated October 01, 2010 to the SCN. The AR sought to make additional submissions by November 12, 2010.

11. Vide letter as received by SEBI on November 15, 2010 the Noticee made further submissions stating inter alia the following:

- *The allotment of the shares made at Rs. 20/- per share to the Company was made after passing the resolution under section 81 (IA) of the Companies Act, 1956. Further the price of Rs. 20/- per share was arrived at after computing and determining the price in accordance with clause 13.3.1 of Chapter XIII of the SEBI (DIP) Guidelines, 2000. The price for preferential allotment was determined by a chartered accountant and the same was adopted by the shareholders of RPIL in the meeting held on December 23, 2006.*
- *The attention of Ld. Adjudicating officer is also invited to the correspondence exchanged between RPIL and the BSE. It is submitted that although BSE made an observation that RPIL has not given the disclosure required under clause 13.1A of the SEBI (DIP) guidelines in the notice dated November 25, 2006, however, it is pertinent to state that the BSE had not declared the resolution passed by the shareholders in the EGM of December 23, 2006 as null or void or non-est, but sought clarification from RPIL as to how it was to comply with aforesaid guidelines.*
- *The transfer of funds into the account of RSM (Ritesh Spinning Mills) has no bearing or connection with the alleged manipulation as mentioned in the notice. The investigation period for the enquiry is from 14th July, 2006 to May 20, 2008 and the funds were transferred in the account of RSM after May 20, 2008. The said transaction has no bearing or any effect on the price of the RPIL share. The grant of loan was a bonafide commercial transaction, taken in the interest of the Company.*
- *With regard to the 3,00,000 shares transferred to Sanjeev Arora, it is submitted that the said shares given on May 8th, 2008 as a security of loan by Mr. Sanjeev Arora, however since the terms of the loans could not be settled, the said shares were duly returned by Mr. Sanjeev Arora on August 18, 2008. The company was under a bonafide belief that it was not required to give any disclosure under PIT regulations since the said transfer was under security mechanism.*
- *In the hearing held on 19th October 2010, the Ld Adjudicating Officer has asked the Company to submit the DEMAT account showing that the lien created against the pledged shares. The statement showing the transfer of shares from depository account of the Company to the account of Mr. Sanjeev Arora has been annexed as Annexure 6. It is pertinent to note that a formal pledge in relation to the transfer of shares in favour of Mr. Sanjeev Arora could not be created, as the terms of the loan could be settled and the shares were duly returned by Mr. Sanjeev Arora. The intention of the parties to the said transaction was that the shares of the RPIL were transferred as a security for the financing facility taken by the Company from Mr. Sanjeev Arora. The extension of credit facilities from Mr. Sanjeev Arora to the Company was a genuine bona fide commercial lending transaction and was not intended in any manner whatsoever to assist, directly or indirectly, in manipulation of the price of the shares of RPIL on the stock exchanges. Further, since the shares were transferred under loan arrangement, the Company was of bonafide belief that it was not required to comply with the PIT regulations as it was not a case of transfer.*

CONSIDERATION OF ISSUES AND FINDINGS

12. I have carefully examined the SCN, the reply of the Noticee and the documents available on record. The allegations against the Noticee are as follows:
- a) It is alleged that Noticee is connected to RPIL, was allotted shares under preferential issue at manipulated lower price and the Noticee gained from the manipulative under pricing at the cost of other shareholders of the Company.
 - b) It is alleged that the Noticee failed to make required disclosure under the regulation of PIT and SAST after the allotment of shares and further failed to make required disclosure under PIT after transferring the shares of RPIL.

In view of the above it is alleged that the Noticee violated the provisions of Regulation 3 (a), 3 (b), 3 (c), 3 (d), 4(1), 4(2)(b), 4(2)(d) and 4(2)(e) of PFUTP Regulation, Section 12 A (a), (b), (c), and (f) of the SEBI Act, Regulation 7(1) and 7(2) of SAST and Regulation 13 (1), 13 (3) and 13 (5) of PIT.

13. Now the issues that arise for consideration in the present case are :
- a. Whether the Noticee has violated Regulation 3 (a), 3 (b), 3 (c), 3 (d), 4(1), 4(2) (b), 4(2) (d) and 4(2) (e) of PFUTP Regulation?
 - b. Whether the Noticee has violated Section 12 A (a), (b), (c), and (f) of the SEBI Act?
 - c. Whether the Noticee failed to make required disclosure and violated Regulation 7(1) and 7(2) of SAST and Regulation 13 (1), 13 (3) and 13 (5) of PIT?
 - d. Does the violation, if any, on the part of the Noticee attract monetary penalty under sections 15 A (b) and 15 HA of SEBI Act?
 - e. If so, what would be the monetary penalty that can be imposed taking into consideration the factors mentioned in section 15J of the SEBI Act?
14. Before moving forward, it will be appropriate to refer to the above relevant provisions which reads as under:

15. Upon careful perusal of the documents available on record and the written submission made by the Noticee, I find the following:-

Allegation of fixing the price of the preferential allotment at a manipulated lower price and connection of the Noticee with RPIL:

- a. It was alleged in the SCN that RPIL made allotment of 12,50,000 equity shares at ₹. 20 to its associated entity i.e the Noticee and that the allotment was not made

within the prescribed limit of 15 days from the EGM dated December 23, 2006. It was further alleged that RPIL held another EGM on February 28, 2007 and the actual allotment was made to the Noticee i.e on March 23, 2007, when the shares of RPIL were trading around ₹ 43.85. It was observed that if RPIL had to follow the procedure for pricing the preferential allotment, the same would have been priced around ₹ 74 per share, depending on the exact date of AGM/EGM. Hence, allegedly by receiving these allotments at ₹.20, the Noticee made a gain of around ₹.54 per share, amounting to about ₹.6,75,00,000 at the cost of other shareholders. It is also alleged that the Noticee and RPIL were connected entity as Mr. Roop Kishore Fatehpuria, director and compliance officer of RPIL was also authorized signatory for the Noticee. Further, it was alleged that the Noticee transferred around ₹ 2,85,00,000 into the account of Ritesh Spinning Mills another company promoted by RPIL.

- b. From the submissions made by the Noticee and documents available on records I observe that RPIL allotted 12,50,000 shares to the Noticee on March 28, 2007 at ₹.20/- per share and the relevant date for fixing the price was taken 30 days before the EGM held in December 2006 and not the date of EGM held in February 2007. With regard to the connection of the Noticee with RPIL, I observe that Mr. Roop Kishore Fatehpuria director and compliance officer of RPIL, was the authorized person to open the demat account and dealt through Almondz Capital Markets Pvt Ltd on behalf of the Noticee. In addition to this there was transfer of funds to Ritesh Spinning Mills by the Noticee which was given to Ritesh Spinning Mills as inter corporate deposits.
- c. In view of the above it is observed that the Noticee is connected to the RPIL. However there is no sufficient evidence on record to show how the price fixed for the preferential allotment w.r.t. the relevant date has been manipulated by the Noticee.
- d. Further there is no allegation available on records to state that the Noticee had any role to play with respect to fixing the date of the EGM so that the pricing for the preferential allotment would be in favour of the Noticee.
- e. Furthermore there is no evidence whatsoever to show the connivance as is alleged, of the Noticee with the company for fixing the date of EGM and consecutively the price of the preferential issue in favour of the Noticee.

- f. I therefore hold that the allegation of manipulation against the Noticee does not stand established and thus absolve the Noticee of the charges of violation of PFUTP Regulation and SEBI Act.

Disclosure under SAST and PIT Regulations:

- a. It was alleged in the SCN that the Noticee acquired 12,50,000 shares through the preferential allotment on March 23, 2007. The paid up capital of the company was 92,17,500 and such acquisition of the Noticee accounted for 13.56 % of the total share capital when allotted. As the Noticee's shareholding crossed 5% as well as 10% limit, the Noticee was required to make disclosure under Regulation 7 (1) and 7 (2) of SAST. Further the above acquisition also required disclosure under Regulation 13 (1) of PIT. It was further observed that the Noticee transferred 3,00,000 shares to Mr. Sanjeev Arora in off market on May 08, 2008 and further sold about 2,78,487 shares of RPIL in off market in June 2008 where there was a change in the Noticee's shareholding which crossed 2% of the paid up capital of the Company. As there was a change in the Noticee's shareholding which crossed 2% of paid up capital of the company the Noticee was required to make disclosure under Regulation 13(3) of PIT Regulation. Hence, it was alleged that the Noticee did not make the requisite disclosure under Regulation 7 (1) and 7 (2) of SAST and 13 (1), 13 (3) read with 13(5) of PIT.
- b. The Noticee in its reply dated October 01, 2010 submitted copies of letters dated March 30, 2007 addressed to BSE and to the Company showing necessary disclosure under Regulation 7 (1) read with 7 (2) of SAST Regulation. On perusal of the Noticee's reply, I find that the Noticee has made the required disclosure of its aggregate shareholding to BSE and also to RPIL as required under Regulation 7 (1) read with 7 (2) of the SAST Regulation and also under Regulation 13(1) of PIT. Hence, the violation of Regulation 7 (1) and 7 (2) of SAST and Regulation 13 (1) of PIT Regulation does not stand against the Noticee.
- c. It is observed that the Noticee sold 2,74,487 shares of RPIL during the period May 23, 2008 to June 6, 2008 quarter where there was a change in shareholding which crossed 2% of the paid up capital of the Company. On perusal of the document showing details of the Noticee's sale in the scrip of RPIL as submitted by the Noticee, I find that the Noticee from May 23, 2008 to June 02, 2008 sold a

total of 2,78,487 shares of RPIL which amounted to 2.40% of the paid up capital of the Company (1,15,90,958 shares as on January 19, 2008) and made the disclosure to RPIL as required under 13(3) read with 13(5) of PIT.

- d. I further find that the Noticee transferred 3,00,000 shares (2.59% of paid up capital of the company) to Mr. Sanjeev Arora in off market on May 08, 2008 and since there was a change in shareholding which crossed 2% of paid capital of the company, the Noticee was required to make disclosure under Regulation 13 (3) of PIT to the company. The Noticee in its reply dated October 01, 2010 submitted that the 3,00,000 shares were given as a security for sanction of loan by Mr. Sanjeev Arora however, since the terms of the loans could not be settled , the said shares were duly returned by Mr. Arora. The Noticee further stated that 3,00,000 shares of RPIL were under lien with Mr. Arora and therefore, in terms of the loan agreement the said shares were transferred to Mr. Arora and therefore, no disclosure was required to be given under PIT Regulations. Hence, during the personal hearing dated October 19, 2010 the Noticee was advised to submit detailed documents with regard to the board resolution, loan agreement, ROC filing and rate of interest and lien created by November 12, 2010. The Noticee did not submit any of the above documents and in its reply as received by SEBI on November 15, 2010 submitted that “...however since the terms of the loan could not be settled, the said shares were duly returned on August 18, 2008. The Company was under a bonafide belief that it was not required to give any disclosure under PIT Regulations since the transfer was under a security mechanism.” The Noticee further stated that “It is pertinent to mention that a formal pledge in relation to the transfer shares in favour of Mr. Arora could not be created, as the terms of the loan could not be settled and the shares were duly returned by Mr. Arora.”
- e. I observe that 3,00,000 shares of RPIL was transferred from the depository account of the Noticee to the account of Mr. Sanjeev Arora on May 08, 2008 and there was change in the Noticee’s ownership and shareholding which crossed 2% of paid up capital of the company. I also observe from the documents submitted by the Noticee that though the Noticee claimed the above transaction as loan arrangement there was no agreement executed between them and no finance received by the Noticee. I note that in terms of Section 10 of the

Depository Act, 1996, the beneficial owner is the person whose name is recorded as such with a depository and is entitled to all rights and benefits and also subjected to all liabilities in respect of its/his securities held by a depository. Further, any transfer of securities from the beneficial owner account would be construed as change in ownership in respect of those securities which have been transferred to another beneficiary account. Thus, it is observed that the shares were transferred by the Noticee to Mr. Sanjeev Arora and there was also a change in beneficial ownership. Hence the submissions made by the Noticee cannot be accepted. The Noticee therefore, by not making the requisite disclosure, has failed to comply with Regulation 13(3) read with Regulation 13 (5) of PIT.

16. The object of the PIT Regulation mandating disclosure of acquisitions beyond certain quantity is to give equal treatment and opportunity to all shareholders and protect their interests. To translate this objective into reality, measures have been taken by SEBI to bring about transparency in the transactions and it is for this purpose that dissemination of such information is required. In this regard I would like to rely upon the findings of Hon'ble SAT in the matter of Milan Mahendra Securities Pvt. Ltd Vs. SEBI (Appeal No. 66 of 2003 and Order dated November 15, 2006) regarding the importance of disclosure in which SAT has observed that, *“the purpose of these disclosures is to bring about transparency in the transactions and assist Regulator to effectively monitor the transactions in the market”*. In terms of regulation 13(5) of PIT, disclosure is required to be made to the company within 4 working days. Failure to make disclosure within the stipulated time period provided in the regulation cannot be considered as trivial or of no consequence to be overlooked. After taking all the facts into consideration, it is established that the Noticee has violated the provisions of Regulation 13 (3) read with 13(5) of PIT Regulations by not making the required disclosure after transferring 3,00,000 shares of RPIL to Mr. Sanjeev Arora.
17. The Hon'ble Supreme Court of India in the matter of *SEBI Vs. Shri Ram Mutual Fund* [2006] 68 SCL 216(SC) held that *“In our considered opinion, penalty is attracted as soon as the contravention of the statutory obligation as contemplated by the Act and the Regulations is established and hence the intention of the parties committing such violation becomes wholly irrelevant...”*.

18. In view of the foregoing, I am convinced that it is a fit case to impose monetary penalty under section 15 A(b) of the SEBI Act, which reads as follows;

15A. Penalty for failure to furnish information, return, etc.- *If any person, who is required under this Act or any rules or regulations made thereunder,-*

(a)

(b) to file any return or furnish any information, books or other documents within the time specified therefore in the regulations, fails to file return or furnish the same within the time specified therefore in the regulations, he shall be liable to [a penalty of one lakh rupees for each day during which such failure continues or one crore rupees, whichever is less];

19. While determining the quantum of monetary penalty under section 15 A(b), I have considered the factors stipulated in section 15J of SEBI Act, which reads as under:-

“15J - Factors to be taken into account by the adjudicating officer

While adjudging quantum of penalty under section 15-I, the adjudicating officer shall have due regard to the following factors, namely:-

(a) the amount of disproportionate gain or unfair advantage, wherever quantifiable, made as a result of the default;

(b) the amount of loss caused to an investor or group of investors as a result of the default;

(c) the repetitive nature of the default.”

20. In view of the charges as established, and the facts and circumstances of the case, and the various judgments referred to and mentioned hereinabove, the quantum of penalty would depend on the seriousness of the violation. The aforesaid regulations have been framed in order to bring about the transparency in the market and aim at preventing information asymmetry that may preclude any investor from equal treatment and opportunity with respect to the aforesaid information. Correct and timely disclosures are an essential part of the proper functioning of the securities market and by failure to do so results in preventing investors from taking well-informed decisions. By virtue of the failure on the part of the Noticee to make the necessary disclosure on time, the fact remains that the shareholders/investors were deprived of the important information at the relevant point of time. Under these circumstances, the compliance with the disclosure requirements under PIT assumes significance and the Noticee's failure to do so have to be viewed seriously and accordingly, punished in an exemplary manner.

21. In the instant case, it is noted that no quantifiable figures are available to assess the disproportionate gain or unfair advantage made as a result of such default by the Noticee.

Further from the material available on record, it may not be possible to ascertain the exact monetary loss to the investors on account of default by the Noticee. I find from the records that the default of the Noticee is not repetitive in nature.

23.
