

BEFORE THE ADJUDICATING OFFICER
SECURITIES AND EXCHANGE BOARD OF INDIA
[ADJUDICATION ORDER NO. A&E/MK/AO-29/2011]

UNDER SECTION 15-I OF SECURITIES AND EXCHANGE BOARD OF INDIA
ACT, 1992 READ WITH RULE 5 OF SEBI (PROCEDURE FOR HOLDING
INQUIRY AND IMPOSING PENALTIES BY ADJUDICATING OFFICER)
RULES, 1995

In respect of
S Jayprakash (HUF)
(PAN.: Not Available)

In the matter of Nova Petrochemicals Limited

FACTS OF THE CASE IN BRIEF

1. A rise in the price of the scrip of M/s Nova Petrochemicals Limited (for brevity's sake hereinafter referred to as '**NPL**') was witnessed as the price of the scrip went up from ₹ 82 to ₹ 116.20, an increase of 41.7% in 13 trading days i.e. from November 28, 2005 to December 14, 2005.
2. Based on the snap investigation carried out by Bombay Stock Exchange Ltd. (hereinafter referred to as '**BSE**') in the scrip of NPL, investigations were conducted by Securities and Exchange Board of India (hereinafter referred to as '**SEBI**' or '**the Board**') in the scrip of NPL. As BSE stated in its report that immediately after the period of examination, the clients and some company related entities substantially sold their stake, the period of investigation was extended from November 28, 2005 to March 31, 2006 (hereinafter referred as '**investigation period**'). The main focus of investigation was to ascertain any violation of SEBI (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003 (hereinafter referred to as the '**PFUTP Regulations**') during the above period.
3. It was observed that promoters' holding slightly increased by 6,000 shares as on March 2006 as compared to previous quarter December 2005. However,

*Adjudication Order in respect of S Jayprakash (HUF)
in the matter of M/s Nova Petrochemicals Ltd.*

holdings of person acting in concert (PACs), who were 25 in number, significantly reduced from 47,67,506 shares (35.31%) to 38,82,163 shares (28.76%) and public holding increased from 10,05,484 shares (7.45%) to 22,13,167 shares (16.39%) during the quarter December 2005 to March 2006.

4. During the period under investigation following major announcement were made by NPL:

Implemented	On March 9, scrip opened at ₹ 143.50 touch its intra-day high of ₹ 149.35 and closed at ₹ 148.35 and total volume was 1,87,405 shares more than double of previous day i.e. 78,869 shares.

5. Investigation revealed that NPL made misleading announcement on February 20, 2006 pertaining to expansion plan after which the price of the scrip went up from ₹ 102.50 on February 20, 2006 to ₹ 146.85 on March 8, 2006 and the volume also increased substantially. Further, the NPL also did not give any explanation to the exchanges regarding the substantial difference between the unaudited and audited results of the company.
6. It is observed from the Investigation Report (herein after referred to as IR) that when the company was making misleading announcements and non-genuine results, 25 PACs of the company who were the family members and group companies of the Chairman and The MD, sold together 10,15,443 shares through Religare and SP Jain Securities which accounted for 12.80% of the traded volume (both BSE and NSE) during January 23, 2006 to March 31, 2006 before the outcome of the negative results.
7. Investigation revealed that NPL showed profit in three quarters of 2005-2006 while the yearly results of 2006 showed loss for which the company could not give any reasonable explanation. The Chairman, Ved Prakash Chiripal and MD, Shyam Gupta were aware of the negative results and the PACs, who

were the family members and group companies of the Chairman and the MD, sold shares before the outcome of the negative results.

8. In view of the above, it was alleged that **S Jayprakash (HUF)** (hereinafter referred to as **"Noticee"**), as **one of the PACs**, had violated the provisions of regulation 3 (a),(d),4(1),4(2)(a) of PFUTP Regulations read with Section 12A(c) of Securities and Exchange Board of India Act, 1992 (hereinafter referred to as **"the Act"**) and regulation 3(i) of SEBI (Prohibition of Insider Trading) Regulations, 1992 (herein after referred to as the **"PIT Regulations"**) read with Section 12A(d),(e) of the Act and consequently liable for monetary penalty under Section 15 HA and 15G (i) of the Act.

APPOINTMENT OF ADJUDICATION OFFICER

9. The undersigned was appointed Adjudicating Officer to inquire into and adjudge under Section 15I of the Act 1992; read with Rule 3 of SEBI (Procedure for Holding Inquiry and Imposing Penalties by Adjudicating Officer) Rules, 1995 (herein after referred to as the **"the Rules"**) for the alleged irregularity in the trading in the shares of NPL resulting in the possible violation of the provisions of the Act, FUTP Regulations and the PIT Regulations.

SHOW CAUSE NOTICE, HEARING AND REPLY

10. Show Cause Notice dated September 14, 2009 and November 05, 2009 (hereinafter referred to as **"SCN"**) was issued to Noticee under rule 4(1) of the Rules to show cause as to why an inquiry should not be held against the Noticee and penalty be imposed under Section 15HA and 15G(i) of the Act for the alleged violations specified in the said SCN.
11. In order to conduct an inquiry as per rule 4 (3) of the Rules, the Noticee was granted an opportunity of personal hearing on January 07, 2010 vide hearing notice dated December 24, 2009. The Noticee, instead of appearing for the hearing, vide fax dated January 20, 2010 requested for extension of hearing till end of January 2010. Accordingly, the hearing was fixed for February 10, 2010

and an Authorized Representative (hereinafter referred to as “AR”) appeared on behalf of the Noticee on the said date and reiterated the submissions made vide letter dated February 05, 2010 as follows:

- i. *Noticee does not accept or admit anything stated in the Notice except where the same is expressly admitted by her.*
- ii. *The allegations of violation of the provisions of FUTP Regulations and PIT Regulations are only based on the assumption that the noticee being one of the Persons Acting in Concert, as they are related to one of the promoters of NPL, Mr Ved Prakash Chiripal, was aware of the financial results of NPL prior to it being made public and thus, fraudulently sold shares together with other PACs during investigation period.*
- iii. *Noticee held 15300 shares of NPL on 31.03.2005 and because they are related to Mr. Ved Prakash Chiripal they fall within the ambit of PACs.*
- iv. *Simply because the noticee is related to and is known to one of the promoters, it does not establish that they were aware of the financial results or other price sensitive information of NPL.*
- v. *It is denied that the sale of shares of NPL by them had any correlation with the alleged misleading and non-genuine results made by NPL.*
- vi. *They had sold shares even before the investigation period and also post the investigation period. During the investigation period they had sold 2000 shares on February 15, 2006, 4000 shares on February 16, 2006, 2897 shares on March 14, 2006 and 3303 shares on March 16, 2006 and continues to hold 3,100 shares.*
- vii. *It is denied that they had any prior intimation/knowledge of negative yearly financial results of NPL that prompted them to sell the shares as alleged. Simply because they knew the Chairman Mr. Ved Prakash Chiripal does not indicate that they were aware of any unpublished price sensitive financial results.*
- viii. *They were not a part of the Board of the NPL, neither were instrumental in the management activities of NPL.*
- ix. *They have not made any disproportionate gain or gained unfair advantage.*
- x. *It is denied that they have violated the provisions of the of the regulations 3 (a & d), regulation 4(1), 4(2)(a) of FUTP Regulations, read with section*

12A(c) of the Act and regulation 3(i) of PIT Regulations read with section 12A(d & e) of the Act.

- xi. Subsequent to the hearing, vide letter dated February 16, 2010 noticee submitted analysis of the share price movement vis-à-vis sensx along with clarification that the increase in price of the share was due to announcement of bonus shares in the ratio of 1:1 as also fixing of record date as March 20, 2006. The noticee also submitted that the announcement of expansion of poly condensation and power plant was not sensitive as the expansion schemes were for captive consumption.*

CONSIDERATION OF ISSUES

12. The issues that arise for consideration in the present case are :
- a) Whether the Noticee had violated regulation 3 (a),(d),4(1), 4(2)(a) of PFUTP Regulations read with section 12A (c) of SEBI Act?
 - b) Whether the Noticee had violated regulation 3(i) of PIT Regulations read with section 12 A (d),(e) of the SEBI Act?
 - c) Does the violation, if any, on the part of the Noticee attract monetary penalty under section 15 HA and 15G (i) of SEBI Act?
 - d) If so, what would be the monetary penalty that can be imposed taking into consideration the factors mentioned in section 15J of SEBI Act?

FINDINGS

13. The allegations against the noticee are that when the company was making misleading announcements and non-genuine results, it, including PACs, being the family members and group companies of the Chairman and the MD, sold together 10,15,443 shares through Religare and SP Jain Securities which accounted for 12.80% of the traded volume (both BSE and NSE) during January 23, 2006 to March 31, 2006 before the outcome of the negative results and thereby alleged to have violated Regulation 3 (a), (d), 4(1), 4(2)(a) of FUTP Regulations read with Section 12A(c) of SEBI Act, 1992 and regulation 3(i) of PIT Regulations read with Section 12A(d & e) of SEBI Act, 1992.

14. I note that the provisions of law alleged to have been violated by the noticee read as follows:

FUTP REGULATIONS, 2003

Regulation 3. Prohibition of Certain Dealings in Securities

No person shall directly or indirectly-

- (a) buy, sell or otherwise deal in securities in a fraudulent manner;*
- (d) engage in any act, practice, course of business which operates or would operate as fraud or deceit upon any person in connection with any dealing in or issue of securities which are listed or proposed to be listed on a recognized stock exchange in contravention of the provisions of the Act or the rules and the regulations made there under.*

Regulation 4(1): *no person shall indulge in a fraudulent or an unfair trade practice in securities.*

Regulation 4(2): *Dealing in securities shall be deemed to be a fraudulent or an unfair trade practice if it involves fraud and may include all or any of the following, namely:-*

- (a) indulging in an act which creates false or misleading appearance of trading in the securities market;*

INSIDER TRADING REGULATIONS, 1992

Regulation 3. Prohibition on dealing, communicating or counselling on matters relating to insider trading

No insider shall—

- (i) either on his own behalf or on behalf of any other person, deal in securities of a company listed on any stock exchange when in possession of any unpublished price sensitive information;*

SEBI ACT, 1992

Section 12A : Prohibition of manipulative and deceptive devices, insider trading and substantial acquisition of securities or control.

No person shall directly or indirectly –

(c) engage in any act, practice, course of business which operates or would operate as fraud or deceit upon any person, in connection with the issue, dealing in securities which are listed or proposed to be listed on a recognized stock exchange, in contravention of the provisions of this Act or the rules or the regulations made

(d) engage in insider trading

(e) deal in securities while in possession of material or non-public information or communicate such material or non-public information to any other person, in a manner which is in contravention of the provisions of this Act or the rules or the regulations made thereunder;

15. I have taken into consideration the facts and circumstances of the case, the submissions made by the noticee and the material available on the record.
16. I find that the NPL made major corporate announcements on 6 days during the period January 23, 2006 to March 08, 2006. These announcements were related to quarterly financial results, Bonus issue and expansion plan. I note from the SCN that except for announcement on an expansion plan all other announcements were implemented by NPL.
17. I note from the SCN that the announcement made by NPL on February 20, 2006, regarding expansion plan was non-genuine and misleading in nature as the Annual Report of FY 2005-06 and 2006-07 did not reflect any information about the expansion plan being undertaken or executed by the company. I also note that the price of the scrip after the above announcement went up from ₹ 102.50 on February 20, 2006 to ₹ 146.85 on March 8, 2006.
18. It is noted from the SCN that the NPL incurred a loss of ₹ 5.23 crore as on 31st March 2006 whereas the sum total of the unaudited figures for the quarter ending June to March 2006 showed a profit of ₹ 1.38 crore. Since there was a substantial difference in the unaudited and audited results, NPL was asked to clarify the same and the explanation of NPL was not accepted as it

failed to substantiate the same. The NPL thus gave misleading results to the public.

19. From the trade and order log it is observed that the 25 PACs, including the Noticee, offloaded 10,15,433 shares constituting 12.80% of the traded volume on the exchanges (NSE and BSE) (and 7.52% of total capital), in the market after the positive announcements that too after the expansion plan were made by the company. The PACs who sold the shares were the family members and group companies of the Chairman Mr. Vedprakash Chiripal and Managing Director Mr. Shyam Gupta.
20. I note from the SCN as well as from the noticee's submission that they had sold 12200 shares during the investigation period against their holding of 15300 shares as on March 31, 2005. I note that the PACs held 35.31% of the total capital of NPL as on March 31, 2005 and the noticee held 0.32% of the PACs' holding. I also note that the noticee's sale of 12200 shares constitutes 1.20% of the total shares sold by the PACs during the investigation period.
21. I note from the material available on record that there is no allegation about the noticee's involvement in any of these misleading announcements or resultant price rise in the scrip of NPL. I note from the investigation report that the noticee alleged to have dealt in the scrip after the public announcement made by NPL. I note that Regulations 3(a) and 3(d) of FUTP prohibits a person to deal in securities in a fraudulent manner and engage in any act, practice, course of business which operates or would operate as fraud or deceit upon any person, respectively, with regard to 'issue', 'purchase' or 'sale' of any security listed or proposed to be listed at a recognized stock exchange. Further Regulation 4(1) and 4(2) prohibit persons from indulging in fraudulent or unfair trade practices while dealing in securities. What is being alleged against the noticee is that they have played a fraud and committed an unfair practice within the meaning of the regulations while trading in the scrip of NPL. It is a serious allegation warranting precise particulars to establish the manner in which the noticee has played a fraud or committed the unfair trade practice. It is observed that the Noticee sold around 40% of its share holding in NPL prior to the date of public announcement i.e. February

20, 2006. During the investigation period the Noticee sold around 40% (2897 shares on March 14, 2006 and 3303 shares on March 16, 2006) and continued to hold 3100 shares of NPL. There is no material available on record to establish the fraudulent activities of the Noticee either with respect to its dealing in scrip of NPL or its role in the process of public announcement made by NPL. Therefore, in absence of any corroborative evidence on record, allegation against the noticee of violating the provisions of Regulation 3(a), 3(d), 4(1) and 4(2)(a) of PFUTP Regulations and Section 12A(c) of the Act, doesn't stand established.

22. Before dealing with the issue as to whether the noticee violated the provisions of regulation 3(i) of PIT Regulations and section 12(d),(e) of the Act, I note the definition of insider and price sensitive information under PIT Regulations as follows:

Regulation 2(e) *"insider" means any person who, is or was connected with the company or is deemed to have been connected with the company and is reasonably expected to have access to unpublished price sensitive information in respect of securities of company, or has received or has had access to such unpublished price sensitive information.*

Regulation 2(c) *"connected person" means any person who-*
(i) *"is a director, as defined in clause (13) of section 2 of the Companies Act, 1956 (1 of 1956), of a company, or is deemed to be a director of that company by virtue of sub-clause (10) of section 307 of that Act"*

Regulation 2(h) *"person is deemed to be a connected person", if such person –*
(i) *is a company under the same management or group, or any subsidiary company thereof within the meaning of sub-section (1B) of section 370, or sub-section (11) of section 372, of the Companies Act, 1956 (1 of 1956) or sub-clause (g) of section 2 of the Monopolies and Restrictive Trade Practices Act, 1969 (54 of 1969) as the case may be;*
(viii) *relatives of the connected person*

Regulation 2(ha) *“price sensitive information” means any information which relates directly or indirectly to a company and which if published is likely to materially affect the price of securities of company.*

Explanation. – The following shall be deemed to be price sensitive information: –

- (i) periodical financial results of the company;*
- (ii) intended declaration of dividends (both interim and final);*
- (iii) issue of securities or buy-back of securities;*
- (iv) any major expansion plans or execution of new projects.*
- (v) amalgamation, mergers or takeovers;*
- (vi) disposal of the whole or substantial part of the undertaking;*
- (vii) and significant changes in policies, plans or operations of the company;*

Regulation 2 (k) *“unpublished” means information which is not published by the company or its agents and is not specific in nature.*

23. I note from the noticee’s submission that because they are related to Mr. Ved Prakash Chiripal, the Chairman of NPL, they fall within the ambit of PAC. Thus, there is no dispute about the noticee being an insider as defined under Regulation 2 of PIT Regulations. Further, I do not find any merit in the submission of noticee that the announcement of expansion of poly condensation and power plant was not sensitive as the expansion schemes were for captive consumption. I note that the information related to financial results and expansion plan falls within the definition of price sensitive information as defined in the Regulation 2 of PIT Regulations. The Hon’ble SAT in the case of Rajiv B Gandhi, Sandhya R Gandhi, Amis B Gandhi Vs Securities and Exchange Board of India (Appeal No 50 of 2007) has also observed that:

“Unpublished price sensitive information has been defined in the regulations to mean any information which relates to any of the matters referred to in sub clause (i) to (viii) of regulation 2(k) and is not generally known or published

by the company for general information but which, if published or known is likely to materially affect the price of the securities of the company in the market. In other words, any information which is not known but, if known, could either way affect the price of the scrip of the company would be unpublished price sensitive information. This includes, among others, financial results of the company, intended declaration of dividend – both interim and final, amalgamations, mergers and takeovers.”

24. The contention of the noticee that simply because they are related to and are known to one of the promoters, do not establish that they were aware of the financial results or other price sensitive information of NPL, may also not hold good, as being an insider related to Mr. Ved Prakash Chiripal, the Chairman of NPL, they are reasonably expected to have access to unpublished price sensitive information of NPL. As discussed above, the price of the scrip went up from ₹102.50 on February 20, 2006 to ₹ 146.85 on March 8, 2006 i.e. after the misleading announcements made by the NPL. However, I note that the noticee sold 2000 shares on February 15, 2006, 4000 shares on February 16, 2006, 2897 shares on March 14, 2006 and 3303 shares on March 16, 2006 (total of 12200 shares of NPL). Based on the material available on record and also considering the pattern wherein the noticee sold almost 40% of their holding prior to the date of the misleading public announcement i.e. February 20, 2006 and another 40% around a month after the said public announcement while continued to hold 20% of its holding (3100 shares), it is difficult to conclude that the aforementioned sale transactions by the noticee may lead to the violations of regulation 3(i) PIT Regulations and Sections 12(d), (e) of the Act as alleged in the SCN. In view of the above, I am inclined to give the benefit of doubt to the Noticee.
25. Therefore, the violations against the Noticee as alleged in the SCN do not stand established.

ORDER

26. After taking into consideration all the facts and circumstances of the matter, I find that the alleged violation of the respective provisions of PFUTP Regulations, PIT Regulations and the SEBI Act, by the Noticee, as specified in the SCN does not stand established and the matter is, accordingly, disposed off.
27. In terms of rule 6 of the Adjudication Rules, copies of this order are sent to **S Jayprakash (HUF)** and also to the Securities and Exchange Board of India.
