SHOW CAUSE NOTICE, REPLY AND PERSONAL HEARING

2. A Show Cause Notice dated January 02, 2017 (hereinafter referred to as “**SCN**”) was issued to the Noticee in terms of Rule 4 of the SEBI (Procedure for Holding Inquiry and Imposing Penalties by Adjudicating Officer) Rules, 1995 (hereinafter referred to as “**SEBI Adjudication Rules**”) read with Section 15-I of the SEBI Act, 1992 to show cause as to why an inquiry should not be initiated and penalty should not be imposed under Section 15A (b) of the SEBI Act, 1992, on the Noticee for the alleged violation of Regulation 29(1) and Regulation 29(2) of the SAST Regulations and/or Regulation 13(1) and Regulation 13(3) of the PIT Regulations.
3. In the aforesaid SCN it was alleged that the Noticee had failed to make timely disclosures to GML/BSE, pertaining to its acquisition of shares in the scrip of GML during the period from January 04, 2012 to January 11, 2012 as specified under the provisions of the SAST Regulations and the PIT Regulations.

However, despite all the above the Noticee again failed to attend the said hearing and did not file any reply in the matter.
8. I note that Noticee has been provided ample opportunities of Personal Hearing. However, till date, the Noticee neither availed the opportunities nor filed any reply to the SCN. Therefore, I am inclined to proceed with the matter on the basis of the material available on record.

ISSUES FOR CONSIDERATION AND FINDINGS

9. I have carefully perused the SCN and the documents available on record. The issues that arise for consideration in the present case are:
 - 1) Whether the Noticee violated the provisions of Regulation 29(1) and Regulation 29(2) of the SAST Regulations, and/or Regulation 13(1) and Regulation 13(3) of the PIT Regulations?

- 2) Whether the Noticee is liable for imposition of monetary penalty under Section 15A (b) of the SEBI Act, 1992?
 - 3) If yes, then what should be the quantum of monetary penalty?
10. It is pertinent to mention here the relevant provisions of Regulation 29(1) and Regulation 29(2) of the SAST Regulations and Regulation 13(1) and Regulation 13(3) of the PIT Regulations, allegedly violated by the Noticee:-

SAST Regulations

Disclosure of acquisition and disposal.

“29.(1) Any acquirer who acquires shares or voting rights in a target company which taken together with shares or voting rights, if any, held by him and by persons acting in concert with him in such target company, aggregating to five per cent or more of the shares of such target company, shall disclose their aggregate shareholding and voting rights in such target company in such form as may be specified.”

“(2) Any acquirer, who together with persons acting in concert with him, holds shares or voting rights entitling them to five per cent or more of the shares or voting rights in a target company, shall disclose every acquisition or disposal of shares of such target company representing two per cent or more of the shares or voting rights in such target company in such form as may be specified.”

PIT Regulations

Disclosure of interest or holding in listed companies by certain persons – Initial Disclosure

“13. (1) Any person who holds more than 5% shares or voting rights in any listed company shall disclose to the company in Form A, the number of shares or voting

rights held by such person, on becoming such holder, within 2 working days of :—

(a) the receipt of intimation of allotment of shares; or

(b) the acquisition of shares or voting rights, as the case may be.”

Continual disclosure

(3) Any person who holds more than 5% shares for voting rights in any listed company shall disclose to the company [in Form C] the number of shares or voting rights held and change in shareholding or voting rights, even if such change results in shareholding falling below 5%, if there has been change in such holdings from the last disclosure made under sub-regulation (1) or under this sub-regulation; and such change exceeds 2% of total shareholding or voting rights in the company.

11. In terms of Regulation 29(3) of the SAST Regulations “*the disclosures required under sub-regulation (1) and sub-regulation (2) shall be made within two working days of the receipt of intimation of allotment of shares, or the acquisition of shares or voting rights in the target company to,—*

(a) every stock exchange where the shares of the target company are listed; and

(b) the target company at its registered office.”

Further, in terms of Regulation 13(5) of the PIT Regulations, 1992 *the disclosure mentioned in sub-regulations (3) shall be made within two working days of:*

(a) the receipts of intimation of allotment of shares, or

(b) the acquisition or sale of shares or voting rights, as the case may be.

12. The SEBI (Prohibition of Insider Trading) Regulations, 1992 have been repealed by the SEBI (Prohibition of Insider Trading) Regulations, 2015. In terms of Regulation 12 of the PIT Regulations, 2015, specifically Regulation 12(2) (a) and (b), any obligation or liability acquired, accrued or incurred under PIT

Regulations, 1992 or any legal proceedings initiated under the PIT Regulations, 1992 shall remain unaffected and proceeded with as if the PIT Regulations, 1992 have not been repealed. Provisions of Regulation 12 of PIT Regulations, 2015, are mentioned hereunder in this regard:-

Repeal and Savings.

“12. (1) *The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 are hereby repealed.*

(2) *Notwithstanding such repeal,—*

(a) *the previous operation of the repealed regulations or anything duly done or suffered thereunder, any right, privilege, obligation or liability acquired, accrued or incurred under the repealed regulations, any penalty, forfeiture or punishment incurred in respect of any offence committed against the repealed regulations, or any investigation, legal proceeding or remedy in respect of any such right, privilege, obligation, liability, penalty, forfeiture or punishment as aforesaid, shall remain unaffected as if the repealed regulations had never been repealed; and*

(b) *anything done or any action taken or purported to have been done or taken including any adjudication, enquiry or investigation commenced or show-cause notice issued under the repealed regulations prior to such repeal, shall be deemed to have been done or taken under the corresponding provisions of these regulations;*

(3) *After the repeal of Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992, any reference thereto in any other regulations made, guidelines or circulars issued thereunder by the Board shall be deemed to be a reference to the corresponding provisions of these regulations.*

13. I note that the allegation levelled in the SCN is to the effect that the Noticee failed to make timely disclosures of its shareholding in the scrip of GML to the Company / BSE and thereby the Noticee, violated the provisions of Regulation 29(1) and Regulation 29(2) of the SAST Regulations and Regulation 13(1) and Regulation 13(3) of the PIT Regulations.

14. It is observed from the details available on record that the Noticee had traded in the scrip of GML as detailed in the table below:

15. It is observed from the abovementioned details that on January 04, 2012 and January 06, 2012, shareholding of the Noticee in the scrip of GML crossed 5% of the total paid up share capital of GML, which required the Noticee to disclose its aggregate shareholding within 2 - working days to the Company as well as to the Stock Exchanges where its shares are listed, under Regulation 29(1) read with Regulations 29(3) of the SAST Regulations and to the Company under Regulation 13(1) of the PIT Regulations.
16. Further, on January 05, 2012, shareholding of the Noticee brought down to 3.05% from 5.9% on account of sale of 1,17,000 shares of GML. Again on January 11, 2012 shareholding of the Noticee brought down to 0.97% from 5.58% on account of sale of 1,90,000 shares and purchase of 545 shares of GML. As per Regulation 29(2) read with Regulation 29(3) of the SAST Regulations the Noticee was required to disclose any change of 2% in its total shareholding to the Company as well as to the Stock Exchanges, where its shares are listed , within 2 - working days. Further, as per Regulation 13(3) read with Regulation 13(5) of the PIT Regulations, the Noticee was required to disclose any change of 2% in its total shareholding to the Company within 2 - working days.
17. I find that the disclosure requirements under Regulation 29(1) of the SAST Regulations and Regulation 13(1) of the PIT Regulations are triggered when an entity's shareholding in a company crosses the threshold limit of 5% of the total paid up capital of the company. Further, disclosure requirements under Regulation 29(2) of SAST Regulations and Regulation 13(3) of PIT Regulations are triggered when there is a change of 2% in shareholding of an entity who holds 5% or more shareholding in a company.
18. In the instant case, it is observed that as a result of the trades of the Noticee on January 04, 2012 and January 06, 2012, shareholding of the Noticee in the scrip

of GML crossed threshold limit of 5%. Therefore, the Noticee was required to make the disclosures under Regulation 29(1) of the SAST Regulations, to the Company as well as to the Stock Exchange and under Regulation 13(1) of the PIT Regulations, to the Company. It is further observed that on January 05, 2012, shareholding of the Noticee brought down to 3.05% from 5.9% on account of sale of 1,17,000 shares of GML and on January 11, 2012 shareholding of the Noticee brought down to 0.97% from 5.58% on account of sale of 1,90,000 shares and purchase of 545 shares of GML. Therefore the Noticee was required to make the disclosures under Regulation 29(2) of the SAST Regulations to the Company as well as to the Stock Exchange and under Regulation 13(3) of the PIT Regulations to the Company. It is evident from BSE's email dated February 02, 2014, that BSE had not received any disclosures from the Noticee under the aforesaid Regulations of SAST and PIT Regulations in the scrip of GML.

19. I note that the Noticee has not come forward to offer any reply in respect of the violations alleged in the SCN, though the Noticee has been provided sufficient opportunity to file reply to the SCN and to appear for the personal hearing in the matter. In this context, the silence on the part of the Noticee clearly indicate that it does not want to answer any inquiry in respect of alleged violations stated in the SCN. Absence of any reply from the Noticee, despite being granted sufficient opportunities to do so, strengthen the presumption against the Noticee that it has failed to make the aforesaid disclosures to the Company as well as to the Stock Exchange (Namely BSE) as alleged in the SCN. Therefore, as per the material available on record, I find that the Noticee has failed to make these disclosures in terms of the Regulation 29(1) and Regulation 29(2) of the SAST Regulations and/or Regulation 13(1) and Regulation 13(3) of the PIT Regulations.
20. In this context, I observe that Hon'ble Securities Appellate Tribunal (**SAT**) has consistently held that the obligation to make disclosures within the stipulated time

frame is mandatory and penalty is attracted for non-compliance with the mandatory obligation. The Hon'ble SAT in its Order dated September 30, 2014, in the matter of **Akriti Global Traders Ltd. Vs SEBI** observed that-

"Obligation to make disclosures under the provisions contained in SAST Regulations, 2011 as also under PIT Regulations, 1992 would arise as soon as there is acquisition of shares by a person in excess of the limits prescribed under the respective regulations and it is immaterial as to how the shares are acquired. Therefore, irrespective of the fact as to whether the shares were purchased from open market or shares were received on account of amalgamation or by way of bonus shares, if, as a result of such acquisition/ receipt, percentage of shares held by that person exceeds the limits prescribed under the respective regulations, then, it is mandatory to make disclosures under those regulations."

21. Further, Hon'ble SAT in the matter of **Coimbatore Flavors & Fragrances Ltd. vs SEBI (Appeal No. 209 of 2014 order dated August 11, 2014)**, observed that *"Undoubtedly, the purpose of these disclosures is to bring about more transparency in the affairs of the companies. True and timely disclosures by a company or its promoters are very essential from two angles. Firstly; investors can take a more informed decision to invest or not to invest in a particular scrip secondly; the Regulator can properly monitor the transactions in the capital market to effectively regulate the same."*
22. Hence, on the basis of the facts and circumstances of the case and the material available on record the conclusion that can be drawn in the matter is that on January 04, 2012 and January 06, 2012, shareholding of the Noticee in the scrip of GML crossed threshold limit of 5%, which required the Noticee to make the disclosures under Regulation 29(1) of the SAST Regulations to the Company as well as to the Stock Exchange and under Regulation 13(1) of the PIT Regulations

to the Company. Further, on January 05, 2012, shareholding of the Noticee brought down to 3.05% from 5.9% and on January 11, 2012 shareholding of the Noticee brought down to 0.97% from 5.58% in the scrip of GML, which required the Noticee to make the disclosures under Regulation 29(2) of the SAST Regulations to the Company as well as to the Stock Exchange and under Regulation 13(3) of the PIT Regulations to the Company. However, the Noticee has failed to make these requisite disclosures under the aforesaid Regulations of the SAST Regulations and the PIT Regulations. Therefore, in view of the above, I hold that the Noticee has violated the provisions of Regulation 29(1) and Regulation 29(2) of the SAST Regulations and Regulation 13(1) and Regulation 13(3) of the PIT Regulations.

23. In view of the aforesaid violations committed by the Noticee, I am of firm view that the Noticee is liable for monetary penalty under Section 15A (b) of the SEBI Act, which provides as under:-

Penalty for failure to furnish information, return, etc.

“15A. If any person, who is required under this Act or any rules or regulations made there under-

(b) To file any return or furnish any information, books or other documents within the time specified therefore in the regulations, fails to file return or furnish the same within the time specified therefore in the regulations, he shall be liable to a penalty of one lakh rupees for each day during which such failure continues or one crore rupees, whichever is less.”

24. While determining the quantum of penalty under Section 15A (b), it is important to consider the factors stipulated in Section 15J of the SEBI Act, which reads as under:-

“15J - Factors to be taken into account by the adjudicating officer

While adjudging quantum of penalty under section 15-I, the adjudicating officer shall have due regard to the following factors, namely:-

- (a) the amount of disproportionate gain or unfair advantage wherever quantifiable, made as a result of the default*
- (b) the amount of loss caused to an investor or group of investors as a result of the default*
- (c) the repetitive nature of the default*

Explanation – *For the removal of doubts, it is clarified that the power of an adjudicating officer to adjudge the quantum of penalty under sections 15A to 15E, clauses (b) and (c) of section 15F, 15G, 15H and 15HA shall be and shall always be deemed to have been exercised under the provisions of this section.”*

25. With regard to the above factors to be considered while determining the quantum of penalty, it may be noted that the materials available on record have not quantified the profit/loss for the violations committed by the Noticee. No quantifiable figures or data are made available on record to assess the disproportionate gain or unfair advantage and amount of loss caused to an investor or group of investors as a result of the default of the Noticee. However, it has been observed that there are atleast four instances when the Noticee contravened the provisions of the said SAST and PIT Regulations which indicates that the default by the Noticee was repetitive in nature.
26. Going by the facts and circumstances of the case, I am of firm opinion that by not making the disclosures on time, the Noticee has failed to comply with the mandatory statutory obligation. In this context, reliance is placed upon the Order of The Hon’ble Supreme Court in the matter of ***Chairman, SEBI Vs Shriram Mutual Fund { [2006]5 SCC 361 }*** – where the Hon’ble Supreme Court of India held that *“In our considered opinion, penalty is attracted as soon as the*

contravention of the statutory obligation as contemplated by the Act and the Regulations is established and hence the intention of the parties committing such violation becomes wholly irrelevant.....”

27. Further, I also observe that Hon'ble SAT in its judgment dated 04.09.2013 in the matter of ***Vitro Commodities Private Limited Vs SEBI*** had observed that " *Provisions of Regulation 7(1) of Takeover Regulations, 1997 and Regulation 13(1) of PIT Regulations, 1992 are not substantially different, since violation of first automatically triggers violation of second and hence there is no justification for imposition of penalty for second violation when penalty for first violation has been imposed. It may be seen that Regulation 7(1) of Takeover Regulations, 1997 and Regulation 13(1) of PIT Regulations, 1992 are not stand alone Regulations and one is corollary of other.*" In light of the above observations of Hon'ble SAT, I am of the view that the violation of the provisions of Regulation 29(1) of the SAST Regulations and Regulation 13(1) of the PIT Regulations further provisions of Regulation 29(2) of the SAST Regulations and Regulation 13(3) of the PIT Regulations committed by the Noticee are not substantially different. Therefore, these violations committed by the Noticee can be considered as a single violation for the purpose of imposition of penalty on the Noticee, as violation of the first regulation would automatically trigger the violation of the second regulation.
28. Needless to say that there is no exemption from making disclosures of the kind envisaged in Regulation 13 of the PIT Regulations and Regulation 29 of the SAST Regulations as in the present case. Timely disclosures to the target Company/Stock Exchange as required under the regulations, would have helped dissemination of this important information to the general public in making their investment decisions.

29. I am of the view that the details of the shareholding of the persons acquiring substantial stake and the timely disclosures thereof, are of significant importance from the point of view of the investors, as such information received by them in a time bound manner would facilitate them immensely in taking a balanced investment decision as regards their holdings in the Company. In the instant case, the Noticee, having acquired more than 5% stake in GML, the timely disclosures of the same by it under the relevant provisions of the PIT Regulations and the SAST Regulations, were of significant importance from the point of view of the investors. Further, the purpose of these disclosures is to bring about transparency in the transactions and to assist the Regulator to effectively monitor the transactions in the securities market.
30. On account of the same, considering the totality of the case, I am of the firm view that the Noticee has violated the provisions of Regulation 29(1) and Regulation 29(2) of the SAST Regulations and Regulation 13(1) and Regulation 13(3) of the PIT Regulations and hence, the Noticee shall be liable for the penalty under Section 15A (b) of the SEBI Act, 1992.

ORDER
