The period of investigation was from January 01, 2012 to November 16, 2012 (hereinafter referred to as **Investigation Period**). Patch-I was taken as January 01, 2012 to June 28, 2012 wherein the price of the scrip accounted a rise and Patch-II was taken as June 29, 2012 to November 16, 2012 wherein the price of the scrip accounted a fall. Further, on the basis of trading pattern, off-market transfers and common KYC details, three Groups were made by IA i.e. Group-I having 11 entities i.e. Asha Rajendrabhai Patel, Vikram Farms Pvt Ltd, Krinesh Farms Pvt Ltd, Sholay Farms Pvt Ltd, Saranga Farms Pvt Ltd, Priyesh Ramanlal Patel, Runali Vikram Patel (hereinafter referred to as **Noticee**), Bhumi Prathmesh Patel, Fizu M Patel, Komal Priyesh Patel and Rajendra Jayantilal Patel, Group-II having three (3) entities and Group-III having five (5) entities. Further, Noticee became a promoter on August 01, 2012 and she was holding 17,110 shares of Popular at that point of time. IA observed that, being a promoter of the Company, the Noticee was required to make disclosure to the Company as prescribed under SEBI (Prohibition of Insider Trading) Regulations, 1992 (hereinafter referred to as **PIT Regulations, 1992**). However, the Noticee, failed to make relevant disclosures as prescribed under PIT Regulations, 1992. SHOW CAUSE NOTICE, REPLY AND PERSONAL HEARING

3. A Show Cause Notice no. EAD/AO-NP/VVK/29691/5/2016 dated October 27, 2016 (hereinafter referred to as **SCN**) was issued to the Noticee in terms of Rule 4 of the Adjudication Rules, 1995 requiring the Noticee to show cause as to why an inquiry should not be held against her for the alleged violations of provisions of regulations 3(a), 3(b), 3(c) and 3(d), 4(1), 4(2)(a) and 4(2)(e) of PFUTP Regulations, 2003, regulation 13(2A) of PIT Regulations, 1992 and regulation 13(4A) read with (r/w) 13(5) of PIT Regulations, 1992.
4. It was inter-alia alleged in the SCN that the Noticee became a promoter of the Company on August 01, 2012 and also the Noticee held 17,110 shares of Popular constituting 0.12% of the total share capital of the Company as of quarter ended September, 2012. As per regulation 13(2A) of PIT Regulations, 1992, the Noticee was required to make disclosures to the company regarding the number of shares or voting rights held within two working days of becoming such promoter or person belonging to promoter group. 5. Further, it was alleged in the SCN that there was a change in Noticee's shareholding in the Company during the quarter ending December, 2012. The details of change in shareholding of the Noticee are tabulated below:-

Table - 1

Quarter End	No. of shares	% of Shareholding
September 30, 2012	17,110	0.12
December 31, 2012	54,480	0.39

It was observed that shareholding of the Noticee changed from 17,110 shares to 54,480 shares of Popular, which exceeded 25,000 shares on October 22, 2012. It is alleged in the SCN that the change in shareholding casts an obligation on the Noticee as a promoter or part of the promoter group to disclose the change in number of shares or voting rights held by the Noticee, if the change exceeds Rs. 5 lakh in value or 25,000 shares or 1% of total shareholding or voting rights whichever is lower, within two days of such acquisition of shares to the Company and BSE under the provision of regulation 13(4A) r/w 13(5) of PIT Regulations, 1992. However, the Noticee failed to make disclosures to the Company and BSE under the provision of regulation 13(4A) r/w 13(5) of PIT Regulations, 1992 within the prescribed time.

6. Further it was alleged in the SCN that Runali Group (which includes Noticee) had indulged in price manipulation by contributing significant negative Last Traded Price (LTP) variation, contribution to New Low Price (NLP) and contribution to negative LTP variation through first trades by trading among themselves. It was observed by IA that the Noticee shared the same address/e-mail ID with other Group I entities. The details of allegation w.r.t. LTP, NLP and first trades are summarized below:

- a) **LTP:** It was alleged that out of 11 Group-I entities, 10 entities traded in Patch-II, and out of those 10 entities, six (6) entities including Noticee were sellers. The details of LTP contributed by these six (6) Group-I entities and their trades resulting into last trade price (LTP) contribution as a seller was provided to the Noticee in the following tabular format:

It was alleged that out of total 1012 trades of the Group-I in Patch-II, 887 trades were at last trade price. Further, out of six (6) Group-I entities, the following four (4) Group-I entities (including Noticee) as mentioned in Table-3 contributed to negative LTP variation. Total market negative LTP variation during Patch-II was Rs.102.30 and four (4) Group-I entities' contribution to negative LTP variation was Rs.34.05. The contribution to negative LTP variation of four Group-I entities as % of total market negative LTP variation was provided to the Noticee in the following tabular format:

Table - 3

S. No.	Entity Name	Negative LTP (In Rs.)	% of Total Market Negative LTP	Net LTP (In Rs.)
1	Asha Rajendrabhai Patel	-26.95	26.34%	-8.00
2	Komal Priyesh Patel	-3.55	3.47%	-3.55
3	Fizu M Patel	-2.15	2.10%	-2.15
4	Runali Vikram Patel (Noticee)	-1.40	1.37%	-0.50
	Total for Patch-II	-34.05	33.28%	-14.20

It was alleged that Asha Rajendrabhai Patel alone contributed significantly i.e. 26.34% to negative LTP during Patch-II and four (4) Group-I entities (including Noticee) together contributed 33.28% to negative LTP in 57 trades. It was alleged that out of 57 such trades, in 40 trades, counterparties were Runali Group entities which contributed a negative LTP of Rs. 26.95 (i.e. 26.34% of total market negative LTP during Patch-II). Those 40 trades and orders were analysed and the following was alleged in the SCN:

- i. In 35 trades Asha Patel was seller and contributed a negative LTP of Rs.19.85 with other Runali Group entities namely Krinesh Farms Pvt Ltd (contributed negative LTP of Rs.5.95 in six (6) trades), Saranga Farms Pvt Ltd (contributed negative LTP of Rs.4.45 in four (4) trades), Runali Patel (contributed negative

LTP of Rs.3.95 in 12 trades), Fizu M Patel (contributed negative LTP of Rs.2.55 in five (5) trades), Priyesh Ramanlal Patel (contributed negative LTP of Rs.1.80 in three (3) trades), Vikram Farms Pvt Ltd (contributed negative LTP of Rs.1.00 in three (3) trades), and Bhumi Prathmesh Patel (contributed negative LTP of Rs.0.15 in two (2) trades).

- ii. In three (3) trades Komal Priyesh Patel was seller and contributed a negative LTP of Rs.3.55 with other Runali Group entities namely Krinesh Farms Pvt Ltd (contributed negative LTP of Rs.1.85 in one (1) trade) and Vikram Farms Pvt Ltd (contributed negative LTP of Rs.1.70 in two (2) trades).
- iii. In one (1) trade Fizu M Patel was seller and contributed a negative LTP of Rs.2.15 with other Runali Group entities namely Krinesh Farms Pvt Ltd.
- iv. In one (1) trade Noticee was seller and contributed a negative LTP of Rs.1.40 with other Runali Group entities namely Saranga Farms Pvt Ltd.

It was alleged that out of 82 trading days, the Runali Group entities executed first trades by trading among themselves at negative LTP on 23 days and contributed negative LTP of Rs.23.30 (i.e. 22.78% of market negative LTP). On all these occasions, Group-I entities namely Asha Patel (19 days), Komal Priyesh Patel (2 days) Fizu M Patel (1 day) and Noticee (1 day) placed first order at lower circuit filter rate which was subsequently matched with Runali Group entities. Out of 23 such trades, 17 trades established new low price also. Significant contribution to negative LTP and the repetitive instances of executing first trades at lower circuit rate by the Runali Group entities by trading among themselves indicate that these entities manipulated the price of the scrip. Therefore, it was alleged that Runali Group entities by trading among themselves, contributed a significant negative LTP of Rs. 26.95/- and hence decreased the price of the scrip during Patch-II.

- b) **NLP:** It was alleged in SCN that, Runali Group entities contributed significant NLP of Rs.13.00 (i.e. 27.51%) out of total price fall of Rs.47.25 by trading among themselves during Patch-II. Contribution to new low price is the difference between new low price established by the trade and previously established low price of the scrip. Price of the scrip closed at Rs.62.35 on June 28, 2012 and reached a low of Rs.15.10 on October 26, 2012, recording a total price fall of Rs.47.25. The analysis

of selling pattern of the Group-I (including Noticee) revealed that out of 51 instances of trades establishing new low price, the Group-I (including Noticee) entities appeared as sellers in 24 instances with a cumulative contribution to new low price of Rs.15.20 constituting 32.17% of total price fall during Patch-II. The entity-wise summary of these trades were provided to the Noticee in the following tabular format:

Table - 4

Market Total	6640	51	47.25	100.00%	6640	51	47.25	100.00%

It was alleged that, out of aforementioned 24 trades of Runali Group which established new low price, 17 trades were executed by Runali Group entities by trading among themselves, which contributed Rs.13.00 (i.e. 27.51%) out of total price fall of Rs.47.25 during Patch-II. During the proceedings of hearing, AR was advised to submit reply to the SCN on or before June 29, 2017 and hearing minutes are on records. The Noticee vide letter dated June 27, 2017 submitted her reply to the SCN. After my appointment, I also granted an opportunity of personal hearing to the Noticee vide hearing notice dated September 05, 2017 for personal hearing scheduled on September 22, 2017. The said hearing notice was served to the Noticee by SPAD and the proof of delivery as per website of Department of Post (www.indiapost.gov.in) is available on records. However, the Noticee did not appear for hearing on the scheduled date. Another opportunity of hearing was granted to the Noticee vide hearing notice dated October 03, 2017 for personal hearing scheduled on October 24, 2017. The personal hearing

on October 24, 2017 was postponed and same was informed to the Noticee vide e-mail dated October 23, 2017. Further, vide hearing notice dated October 30, 2017, the Noticee was granted final opportunity of personal hearing on November 09, 2017. The said hearing notice was served to the Noticee by SPAD and the proof of delivery as per website of Department of Post (www.indiapost.gov.in) is available on records. AR of the Noticee attended the hearing on the scheduled date i.e. November 09, 2017 and also submitted reply to the SCN during the hearing and requested for additional time to submit additional information. As requested by AR, the Noticee was given time to submit the additional information by November 20, 2017. Further, Noticee vide letter dated November 15, 2017, filed additional information.

9. The Noticee, vide its letter dated June 27, 2017, November 08, 2017 and November 15, 2017 submitted her reply to the SCN and the submissions of the Noticee inter-alia are summarized below:

- a. *The Noticee admitted that she belongs to the promoter group of Popular and she had inadvertently committed violation of Regulations 13(2A) and 13(4A) of the SEBI PIT Regulations, 1992 which was just a mistake without any ill intention or bad motive. She has submitted the disclosure on December 08, 2014 on receipt of the letter from SEBI. She apologized for the delay in disclosure and provided a copy of disclosure downloaded from BSE website.*
- b. *The Noticee further submitted that she denied the charges levelled for the alleged violations of PFUTP regulations, 2003. She had bought the shares from open market. However, she had not sold any shares in the market after the quarter as mentioned in the SCN. Therefore, she had not made any gain or advantage from such buying and not manipulated the price.*
- c. *She opposed the theory that 9 entities stated in Paragraph 6 comprised a 'group' and that all of them were part of the same group called "Group I entities" as alleged in the Notice. She submitted that only 5 persons belonging to the Promoter Group of Popular - viz. (1) Runali Vikram Patel, (2) Komal Priyesh Patel, (3) Fizu M. Patel, (4) Priyesh Ramanlal Patel and (5) Bhumi Patel can be included in one group. Neither she nor any other four persons belonging to the Promoter Group of Popular can be clubbed with the rest of four other entities mentioned in the Notice just because of the fact that some of them had common address or email ID once. Whether two persons/ entities belong to one; 'group' or were acting in concert with each other is a question of fact and cannot be determined on the basis of coincidence and mere apprehension drawn out of such coincidence. She therefore challenge the basic premise of creation of the so called 'Group I' and treating all nine entities as one group based on which charges are framed against her. She submitted that the said five persons belonging to the Promoter Group of Popular have not acted in concert with other four entities. These five persons belonging to the Promoter Group of Popular have independently traded*

in the scrip of Popular without any knowledge whatsoever as to whether the other four entities in the so called Group I were trading in this scrip or not.

- d. *She submitted that Asha Rajendrabhai Patel does not belong to the Promoter Group of Popular and is not related to any persons belonging to the Promoter Group of Popular. In fact Asha Rajendrabhai Patel was earlier wife of Mr. Rajendrabhai Patel who was an employee of Popular. Mr. Rajendrabhai Patel had acquired shares of Popular in his individual capacity and without any link with the promoters of Popular. Mr. Rajendrabhai Patel was never shown in the promoter group of Popular in any Shareholding Pattern or other documents filed by Popular. Mr. Rajendrabhai Patel died sometime around April, 2012, and Asha Patel thereafter married to some other person. After her remarriage, Asha Patel had never been in contact with any of the promoters or directors of Popular and her whereabouts are not known. She had independently traded in the shares of PEML and the promoters of PEML had no knowledge or connection in her such dealings.*
- e. *The Noticee provided the copies of the Master Data available on the MCA Portal of the Ministry of Corporate Affairs (MCA), Govt, of India giving details of the information of (1) Krinesh Farms Pvt. Ltd., (2) Vikram Farms Pvt. Ltd. and (3) Saranga Farms Pvt. Ltd which showed that none of the directors of these companies belong to the Promoter Group of Popular and none of them are related to any members of the Promoter Group of Popular.*
- f. *Based on the above submissions and considering the fact that only five persons belonging to the Promoter Group of Popular can be considered as one group, the trading in the scrip of Popular by allegedly suspected entities on BSE indicated in Paragraph 10 of the Notice should be revised as under:*

<i>Buy Clients</i>	<i>No. of Shares</i>	<i>% Volume</i>	<i>Sell Clients</i>	<i>No. of Shares</i>	<i>% Volume</i>
<i>Promoters</i>	<i>184266</i>	<i>36.86</i>	<i>Promoters</i>	<i>846</i>	<i>0.17</i>
<i>Others</i>	<i>315621</i>	<i>63.14</i>	<i>Others</i>	<i>4,99,041</i>	<i>99.83</i>

It can be seen from the above that persons belonging to the Promoter Group of Popular had purchased 1,84,266 shares constituting 36.86% of the market volume, whereas they had virtually not sold the shares as their sale position is negligible. It can also be concluded that there was virtually no trading among the group contrary to what is stated in Paragraph 12 of the Notice, as the sale position of the persons belonging to the Promoter Group of Popular is negligible and not worth considering for serious allegations levelled in the Notice. She deny the averments made in Paragraph 13 of the Notice and submit that the persons belonging to the Promoter Group of Popular had not traded among themselves. Therefore also deny the averments made in Paragraphs 14, 15, 16, 17, 18 and 19 of the Notice as the same are made on the wrong premise and improperly including certain unrelated persons/entities in one group.

- g. *She reiterated and categorically denied that four entities - viz. (1) Asha Rajendrabhai Patel, (2) Krinesh Farms Pvt. Ltd., (3) Vikram Farms Pvt. Ltd. and (4) Saranga Farms Pvt. Ltd. were part of the group together with the Promoter Group of Popular. However, even assuming that all nine entities were part of one group, and that they*

had traded in the scrip of Popular in concert, the allegation of price manipulation lacks any logic or reasoning as the price of the scrip of Popular went down drastically from Rs. 62.35 to Rs. 15.10 within just about four months as stated in Paragraph 15 of the Notice. She referred to the Paragraph 19 of the IR Report (Annexure 'B' enclosed with SCN) which states as under:

"During the investigation period, the price of the scrip opened at Rs. 24.50 on January 18, 2012 and touched period high of Rs. 68.85 on June 28, 2012 thereby recording a price rise of Rs. 44.35. The analysis of buying pattern revealed that no Group I entities traded during the period of rise. "

- h. She requested to appreciate that the promoters of Popular had no connection while the price increased by over 3 times as per the IR, then what would motivate the promoters to bring down the price from Rs. 62.35 to Rs. 15.10 as alleged in Paragraph 20 of IR - and that too by manipulation? What could be the reason for any promoters to do so?*
- i. It must be understood that no promoter would ever wish to bring down the price by over 75% or slash the price to less than one fourth within just four months in absence of any desire to buy the shares at reduced prices. I request you to appreciate that the promoters of Popular have not taken any advantage of the reduced price. In fact the shareholding of the promoters had marginally increased from 58.74% to 60.55% from June, 2012 to March, 2013 (the period covered under investigation) as stated in Paragraph 3 of the Notice, and such shareholding is intact even today after a period of four years. I submit that there has to be a specific reason or motive behind any manipulative or fraudulent practice and there is no mention in the Notice about any such motive, intention or reason for promoters to manipulate the price and bring it down to about one-fourth within four months. In fact the Notice does not mention that how the so called Group I was benefitted or whether it received any undue advantage or put some investors to any undue loss.*
- j. In view of the above submission, she was not indulged in to any manipulative or fraudulent act and that the provisions of Regulation 3 or Regulations 4(1) and 4(2)(a) or 4(2)(e) of the SEBI PFUTP, 2003 are not applicable in my case as-*
 - I. She has not indulged in to any dealings in the scrip of PEMPL which are prohibited under sub regulation (a), (b), (c), or (d) Regulation 3 of PFUTP Regulations, 2003*
 - II. She has not indulged in to any fraudulent or unfair practice in the scrip of Popular*
 - III. She has not indulged in to creation of false or misleading appearance of trading in the scrip of Popular and*
 - IV. She has neither acted nor omitted anything which amounted to manipulation of the price in the scrip of Popular.*

10. After taking into account, the allegations levelled in the SCN, reply submitted by the Noticee to the SCN, and other evidences / materials available on record, I hereby, proceed to decide the case on merit.

CONSIDERATION OF ISSUES

11. The issues that arise for consideration in the present case are:
- Whether the Noticee has violated the provisions of regulation 13(2A) of PIT Regulations, 1992 and regulation 13(4A) r/w 13(5) of PIT Regulations, 1992?
 - Whether the Noticee has violated the provisions of regulations 3(a), 3(b), 3(c) and 3(d) and 4(1), 4(2)(a) and 4(2)(e) of PFUTP Regulations, 2003?
 - Do the violations, if any, on the part of the Noticee attract any monetary penalty under sections 15A(b) & 15HA of the SEBI Act, 1992?
 - If yes, then what would be the monetary penalty that can be imposed upon the Noticee, taking into consideration the factors mentioned in Section 15J of the SEBI Act read with Rule 5(2) of the Adjudication Rules, 1995?
12. Before proceeding further, it will be appropriate to refer to the relevant provisions of PIT Regulations, 1992 and PFUTP Regulations, 2003, which read as under:-

EVIDENCES AND FINDINGS

- 13. On perusal of the material available on record and giving regard to the facts and circumstances of the case, I record my findings hereunder:
- 14. **Issue (a): Whether the Noticee has violated the provisions of regulations 13(2A) of PIT Regulations, 1992 and regulation 13(4A) r/w 13(5) of PIT Regulations, 1992?**
 - a) I have noted that the Noticee became a promoter of the company on August 01, 2012 and she held 17,110 shares of Popular constituting 0.12% of the total share capital of the Company. In this regard, I note from the regulation 13(2A) of PIT Regulations, 1992 that any person who is a promoter or part of promoter group of a listed company shall disclose to the company regarding the number of shares or voting rights held by such person, within two working days of becoming such promoter or person belonging to promoter group. However, as per the reply received from the Noticee, she made disclosures to the Company on December 03, 2014 under the provision of regulation 13(2A) of PIT Regulations, 1992 with a delay of approximately more than two (2) years. Further, as per the available record, it is noted that Popular in its letter received at SEBI on December 02, 2014 informed that the company has not received the required disclosures from the Noticee under the provision of regulation 13(2A) of PIT Regulations, 1992. Therefore, I conclude that the Noticee failed to make disclosure to the Company within the required time as prescribed under PIT regulations, 1992 and has violated the provisions of regulation 13(2A) of PIT Regulations, 1992.
 - b) I have also noted from the available records that the Noticee being a promoter of the company, there was a change in shareholding of the Noticee during the quarter ending December 2012. Shareholding of the Noticee as on September

30, 2012 was 17,110 shares representing 0.12% of the total share capital of the Company, whereas, on December 31, 2012, it was 54,480 shares representing 0.39% of the total share capital of the Company which shows that there was an increase in shareholding of 37,370 shares (i.e. excess of 25,000 shares) by the Noticee. In this regard, I note from the regulation 13(4A) r/w 13(5) of PIT Regulations, 1992 that being a promoter of the company and as the change of shareholding of the Noticee exceeds 25,000 shares of the company, the Noticee was required to make relevant disclosures to the Company and BSE within two working days of the acquisition of shares of the company. In this regard, the Noticee submitted that she made disclosures to the BSE on December 03, 2014 under the provision of regulation 13(4A) r/w 13(5) of PIT Regulations, 1992 with a delay of approximately more than two (2) years. Further, as per the available record, it is noted that Popular in its letter received at SEBI on December 02, 2014 informed that the company has not received the required disclosures from the Noticee under the provision of regulation 13(4A) r/w 13(5) of PIT Regulations, 1992. Also, BSE in its e-mail dated November 20, 2014 informed that no disclosures were received from the Noticee under the said provisions of PIT Regulations, 1992. Therefore, I conclude that the Noticee failed to make disclosures to the Company and BSE within the required time as prescribed under PIT Regulations, 1992 and has violated the provisions of regulation 13(4A) r/w 13(5) of PIT Regulations, 1992.

15. Issue (b): Whether the Noticee has violated the provisions of Regulations 3(a), 3(b), 3(c) and 3(d) and 4(1), 4(2)(a) and 4(2)(e) of PFUTP Regulations, 2003?

- a) On perusal of records available, I note the following allegations against the Noticee alongwith other entities coming under Group I:
- Contributed to negative LTP variation of Rs. 26.95 (i.e. 26.34% of total market negative LTP during patch-II) by Runali Group entities by trading among themselves and decreased the price of the scrip of Popular in Patch-II ;
 - Contributed to NLP of Rs. 13.00 (i.e. 27.51%) out of total price fall of Rs. 47.25/- during Patch-II by Runali Group entities by trading among themselves.

- Executed first trades by trading among themselves at negative LTP and contributed to negative LTP of Rs. 23.30/- (i.e. 22.78% of market negative LTP) by Runali Group entities during Patch-II
- b) I note from the records that connection was established between 11 entities of Group-I entities based on common address, telephone number, e-mail id and off-market transfer. It is noted from the trade and order log that during Patch-II total market negative LTP was Rs. 102.30/- wherein Group I contribution was negative LTP variation of Rs. 34.05/- in 57 trades. Out of 57 trades, in 40 trades counterparties were Runali Group entities which contributed a negative LTP of Rs. 26.95/-. LTP contribution is calculated as difference between the trade price of current trade and the previous trade. For example, if the trade price of current trade is Rs. 50 and previous trade is Rs.49 then the LTP contribution is Rs.50 - Rs.49 = Rupee one. Runali Group entities allegedly executed trades among themselves during Patch-II, which resulted in price fall.
- c) During Patch-II there were 51 trades establishing NLP, wherein four entities from Runali Group entities as mentioned at Table-4 appeared as sellers in 24 instances with a cumulative contribution to new low price of Rs.15.20 constituting 32.17% of total price fall. Out of 24 trades which established new low price, 17 trades contributed Rs.13.00 (i.e. 27.51%) out of total price fall of Rs.47.25 during Patch-II by trading among themselves. Contribution to new low price (NLP) is the difference between NLP established by the trade and previously established low price of the scrip. Further, it is noted that price of Popular during Patch-II witnessed price fall and Runali Group entities contributed Rs.13.00 (i.e. 27.51%), out of total price fall of Rs.47.25. From trade and order logs, it is noted that these trades were executed by Runali Group entities as mentioned at Table-5 among themselves which resulted in price fall and hence contributed to NLP.
- d) With regard to first trade it is noted from trade and order logs that Runali Group entities executed first trades by trading among themselves at negative LTP on 23 days out of 82 trading days during Patch-II and contributed to negative LTP of Rs. 23.30/- (i.e. 22.78% of market negative LTP). Out of 61 first trades, 30 trades were executed by Runali Group entities. Further, in 23 trades out of such 30 first trades, counterparties were from Runali Group entities, which contributed to negative LTP

of Rs. 23.30/-. From the trade and order log it is noted that Runali Group entities executed the trades among themselves as mentioned in Table-7 at pre-page 9 and 10.

- e) Regulation 3 of PFUTP Regulations, 2003 prevents any person from buying, selling or dealing in securities in fraudulent manner, use or employ any manipulative or deceptive device in contravention to the provisions of the Act, employ any device, scheme or artifice to defraud in connection with dealing in securities or engage in any act, practice, course of business which operates as fraud or deceit upon any person in connection with any dealing in or issue of securities. Regulation 4(1) of PFUTP Regulations, 2003 provides that no person shall indulge in a fraudulent or an unfair trade practice in securities. Regulation 4(2)(a) of PFUTP, prohibits a person from indulging in an act which creates false or misleading appearance of trading in the securities market. Regulation 4(2)(e) of PFUTP Regulations, 2003 inter alia, prohibits any act or omission amounting to manipulation of a price of a security.
- f) In this regard, it may be relevant to refer to the observations of the Hon'ble Securities Appellate Tribunal (SAT) in its order dated 14.7.2006 in Ketan Parekh Vs. SEBI, wherein it was held that: *"When a person takes part in or enters into transactions in securities with the intention to artificially raise or depress the price he thereby automatically induces the innocent investors in the market to buy /sell their stocks. The buyer or the seller is invariably influenced by the price of the stocks and if that is being manipulated the person doing so is necessarily influencing the decision of the buyer / seller thereby inducing him to buy or sell depending upon how the market has been manipulated. We are therefore of the view that inducement to any person to buy or sell securities is the necessary consequence of manipulation and flows therefrom. In other words, if the factum of manipulation is established it will necessarily follow that the investors in the market had been induced to buy or sell and that no further proof in this regard is required. The market, as already observed, is so wide spread that it may not be humanly possible for the Board to track the persons who were actually induced to buy or sell securities as a result of manipulation and law can never impose on the Board*

a burden which is impossible to be discharged. This, in our view, clearly flows from the plain language of Regulation 4(a) of the Regulations.”

- g) In light of the above and from the records available, I note that the Noticee alongwith other eight (8) entities (refer to para no. 2) executed trades, which contributed to negative LTP, new low price and also executed first trade during the investigation period resulting in price fall. By executing these trades, the Noticee influenced the price of the scrip of Popular during the investigation period and also helped in creating artificial volume and thereby led to false appearance of trading in scrip of Popular. Therefore, I conclude that the Noticee has violated regulations 3(a), 3(b), 3(c), 3(d), 4(1), 4(2)(a) and 4(2)(e) of the PFUTP Regulations, 2003.

16. Issue (c): Do the violations, if any, on the part of the Noticee attract any monetary penalty under sections 15A(b) and 15HA of the SEBI Act, 1992?

- a) In respect of imposition of monetary penalties, I cannot ignore the historical case of Hon'ble Supreme Court of India in the matter of The Chairman, SEBI Vs. Shri Ram Mutual Fund [2006] 68 SCL 216(SC) wherein it was held that *“In our considered opinion, penalty is attracted as soon as the contravention of the statutory obligation as contemplated by the Act and the Regulations is established and hence the intention of the parties committing such violation becomes wholly irrelevant”*.
- b) Noticee has submitted that, “there has to be a specific reason or motive behind any manipulative or fraudulent practice...there is no such motive, intention or reason for promoters to manipulate the price...” In this regard, it is relevant to mention here that said case of Shri Ram Mutual Fund (supra) was maintained by the three judge bench of the Hon'ble Supreme Court of India in the case of Union of India vs. Dharmendra Textile Processor 2008 (13) SCC 369 decided on September 29, 2008 on the issue related to Income Tax Act. It was held by the Hon'ble Supreme Court that penalty under the provision is for breach of civil obligation is mandatory and the mens rea is not an essential element for imposing the penalty. The adjudicatory authority has no discretion to levy duty less than what is legally and statutorily leviable. The Hon'ble Supreme Court also specifically observed that the case of Shri Ram Mutual Fund (supra) has been analysed in the legal position and in the correct perspectives.

- c) Therefore, after taking into account the aforesaid entire facts / circumstance of the case and the aforesaid case laws, it is noted that the said violations of provisions of regulation 13(2A) of PIT Regulations, 1992 and regulation 13(4A) r/w 13(5) of PIT Regulations, 1992 and regulations 3(a), 3(b), 3(c), 3(d), 4(1), 4(2)(a) and 4(2)(e) of the PFUTP Regulations, 2003 by the Noticee attracts the imposition of monetary penalties upon the Noticee under sections 15A(b) & 15HA of the SEBI Act, 1992, as existed at the time of commission of the alleged violations are reproduced below:

The SEBI Act, 1992

Penalty for failure to furnish information, return, etc.

15A. *If any person, who is required under this Act or any rules or regulations made thereunder,—*

(b) to file any return or furnish any information, books or other documents within the time specified therefor in the regulations, fails to file return or furnish the same within the time specified therefor in the regulations, he shall be liable to a penalty of one lakh rupees for each day during which such failure continues or one crore rupees, whichever is less.

Penalty for fraudulent and unfair trade practices.

15HA. *If any person indulges in fraudulent and unfair trade practices relating to securities, he shall be liable to a penalty of twenty-five crore rupees or three times the amount of profits made out of such practices, whichever is higher."*

17. **Issue (d) - If so, what would be the quantum of monetary penalty that can be imposed on the Noticee after taking into consideration the factors mentioned in section 15J of the SEBI Act, 1992?**

While determining the quantum of penalty under sections 15A(b) and 15HA of the SEBI Act, 1992 it is important to consider the factors stipulated in section 15J Of the SEBI Act, 1992 read with Rule 5(2) of the Adjudication Rules, which reads as under:-

The SEBI Act, 1992

Factors to be taken into account by the adjudicating officer:

15J. *While adjudging quantum of penalty under section 15-I, the adjudicating officer shall have due regard to the following factors, namely:-*

- (a) the amount of disproportionate gain or unfair advantage, wherever quantifiable, made as a result of the default;*
- (b) the amount of loss caused to an investor or group of investors as a result of the default;*
- (c) the repetitive nature of the default."*

18. I observe, that the material available on record, does not quantify any disproportionate gains or unfair advantage, if any, made by the Noticee and the loss, if any, suffered by the investors due to such non-disclosures under regulations 13(2A) of PIT Regulations, 1992 and 13(4A) r/w 13(5) of PIT Regulations, 1992 and

the fraudulent trades which contributed to negative LTP, new low price and first trades by the Noticee. In absence of quantification of 'profits made out of such failure', plain reading of section 15HA of the SEBI Act, 1992 reads the penalty amount as rupees twenty five crore, however, I am inclined to take a lenient view in the matter. In this regard, it would be appropriate to refer to the observations made by the Hon'ble SAT in the matter of Akriti Global Traders Ltd. Vs. SEBI (Appeal No. 78 of 2014) decided on September 30, 2014: "...penal liability arises as soon as provisions under the regulations are violated and that penal liability is neither dependent upon intention of parties nor gains accrued from such delay."

19. Therefore, taking into consideration the facts / circumstance of the case, I am of the view that the Noticee is liable for monetary penalty for violating the provisions of regulation 13(2A) of PIT Regulations, 1992 and 13(4A) r/w 13(5) of PIT Regulations, 1992 and regulations 3(a), 3(b), 3(c), 3(d), 4(1), 4(2)(a) and 4(2)(e) of the PFUTP Regulations, 2003.
